

2020 IMPACT REPORT

The Kids Connection Haiti (KCH) mission is to empower orphaned young adults in Haiti to become contributing, self-sufficient members within their communities through education, life skills training, community service, mentorship, and career development.

33

high school students

36

trade school students

15

university students

14

graduates

84

students in life skills workshops

17

students started a micro-business

24

students receiving housing

35

students receiving food

77

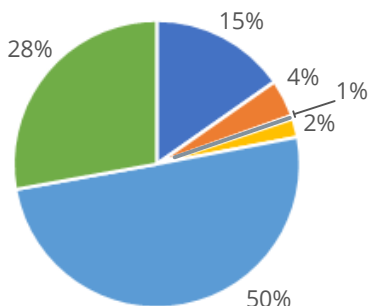

students receiving health care

100

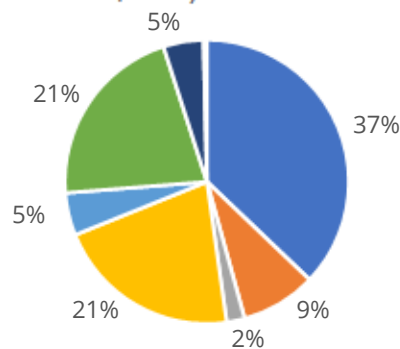

emergency kits distributed

Due to COVID and political riots, this past academic year has been a challenge. Despite the challenging situation, KCH provided support to dozens of young men and women dreaming of a brighter future.
